

4-2-3-1

Template | Transition | Key Points

Take Away Points

- Obviously, there are numbers in the center of the field
- BUT, 2 & 3 must also push up creating attacking opportunities wide

10

10 plays in pocket and becomes shoot striker

- Links plays
- Strong passing range and through balls
- Shoots from long range

6 & 8

6 & 8 must create supporting angles for 10

- 8 pushes forward to assist 10 while 6 maintains spine

Aggressive Defense

Returning to key concept of creating width, 2 & 3 must anticipate OUR counter attacks and provide width for 11, 10, 7, and 9. They must also have the courage to take the ball to the final third to create further confusion to opposing teams defense
