

BRONCO SOCCER

Smart | Fast | Physical | Ethical

Practices

Practices will start promptly at 3:00 and should end around 4:30. This means you are **completely** ready. All players must have the following to all practices and games or they will not be able to participate: **Spirit Pack practice gear, shin guards, soccer cleats.**

Playing Time

Now let's go over something of extreme importance: **playing time**. If you are late for practice, you will not play for half of the game that immediately follows the practice you were late to. If you miss a practice, you will not play during the whole game that immediately follows the practice you missed. This is a 1:1 ratio in which there will be no exception

Get On My Level

I am, and always have been, an intense player, coach & person. I will bring 100% of myself to my classroom and to this program.

So will you.

Hello!

I'm Coach Page. I am the Ceramics teacher and Freshman Soccer Coach. I've been teaching here and have been part of the program since the inaugural year. I grew up playing competitively since I was 8, and I have been coaching for the past 22 years.

My Expectation

This will be a successful year. You have been chosen for the squad because of the attributes you showed at tryouts: hard work ethic, coachable, knowledge of the sport & your position. My job is to get you guys to gel together.....which leads to my focus.

My Focus

Ultimately, I am to get you ready for the varsity level; to get you ready to play, as stated above, smart, fast, physical, and ethical. By the time you get to the varsity level, you will possess the tools and passion to bring home a banner for the school. It's time to represent.

Home Game Preparation and Clean Up

The following positions will be responsible for the follow:

- Keepers: Balls
- Defense: Trash
- Midfield: Flags
- Strikers: Organize and lock storage bin.

Teamwork On & Off the Pitch

You are a student athlete....there is no variation of being that. With that comes the responsibility that you will put your best foot forward during school, during practice, and during the match. By being on this squad, each of you are an ambassador of the ideals this school upholds: Character, Leadership, Academics, Scholarship, Service.

You will not show up on any teacher's / staff member's radar screen!

Respect

....yourself, the team, the school colors, the game
