SENIOR LIP DUB

this year at our senior sunset rally, we will be playing a senior lip dub on the screen for all the seniors to watch. The senior lip dub is where different groups of seniors that lip sync to the song of their choice will be featured in a music video/montage. you and a group of friends, club, sport team, etc. will create a 10 second clip of you guys dancing/lip syncing to a throwback song of your choice on campus, and ultimately the music video will come together with all groups and different songs playing. for example: a group of seniors who are in ASL lip syncing to "Just the Way You Are" -Bruno Mars. Songs will need to be clean and appropriate. We will be filming most of the videos on campus during 3rd period, lunch, and 5th period. If you have any questions, text Jassy (IG: jassywagers) or Jenive (IG: jjenive).

to sign up, fill out the google form with your name, number of people in your group (max: 7) and your contact info

this is the 2019 Senior Farewell Rally, the senior lip dub starts at 4:22
