

# THREE OF A KIND

Design | Theme | Galleries | COMMUNICATION!

## DESIGN

The key principle of design here is "repetition". Employ this principle to bring multiple objects together by cross pollinating elements onto other pieces.

## THEME

Expressions like i.e. ('id est'....'in other words') or e.g. ('exempli gratia'....; for example) come to play when it comes to communication through art. Consider how you would communicate your response to something through the repetition of art....social, political, cultural, etc.

## COMMUNICATION!

When done done correctly and efficiently, art, no matter the medium, can transcend language barriers and connect the world in ways that

## GALLERIES

Brining it all together. This is where artist express their views....communication of a theme cloaked in and design

## THREE RELATED ITEMS

Confidence in numbers is the name of this game. This project will show your understanding of how to relate three items throughout their theme and/or their design. Create three items, either through their function or just esthetic and relate them together via design

## STANDARDS

- 2.1 Create original works of art of increasing complexity and skill that reflects their feeling/point of view
- 3.0 Understanding the historical contributions and cultural dimensions of the visual arts
- SL5 Strategic use of media in presentation to enhance understanding of findings, reasoning, evidence
- WHST2 Write Infomative text, including the narration of historical events or technical processes.
